TERMS / EHDOT

Payment within 30 days net from invoice date. Please use the reference number when paying; payments without a reference may be delayed. Late payment interest is charged according to the Finnish Interest Act. A reminder fee of EUR 5,00 applies to each reminder. Complaints regarding delivered goods must be made within 8 days of receipt

and before the goods are used. Title to the goods remains with the seller until the invoice has been paid in full. Backordered items are delivered and invoiced separately and do not affect the due date of this invoice. Returns are accepted only with an RMA number issued by Kestora customer service and in original packaging.
